\$1,200 - Team of 4

(From 1 August 2026)

Be a part of a powerful golf day driving real change.

Pink Ink Australia is helping breast cancer survivors across Australia not only heal physically, but navigate the often unseen mental health battles that follow diagnosis and treatment.

Your involvement helps fund transformative paramedical tattooing, empowering survivors to reclaim their bodies and become a powerful new version of themselves.

We're Bringing Sexy Back!
